THE JEWEL
of NOIDA

The Jewel of Noida is an exclusive residential development for a very privileged few, who want the best of classic and contemporary living.

The luxurious and lush ambience, the cutting edge design and technology, and the eco-friendly architecture and landscape come together to create some of the most sought after homes in North India.

Spread over 5 acres and surrounded by several acres of sprawling township greens, The Jewel of Noida is ensconced in the 150 acres Eco City Township, in Noida's premier affluent locality.

Designed by a consortium of renowned architectural consultants from overseas and India, the project blends global expertise with an ability to customize designs to specific requirements of the Indian lifestyle.

The architectural design of the project takes inspiration from the work of legendary architects Frank Lloyd Wright and Joseph Allen Stein and imbibes the essence of their architectural philosophies.

Lustre. Luxury. Living.

*Set in the heart of Noida,
The Jewel of Noida sparkles*

The Jewel of Noida is nestled in the premier 150 acre Eco City township, giving it an enviable presence in the heart of Noida.

Just a stone's throw from the Noida Golf Course and prime residential and shopping areas such as Sector 44 and Sector 18, this posh condominium is within a short commute from New Friends Colony, Connaught Place and most other hubs of New Delhi.

Well served by major transportation arteries such as the NH-24, Gautam Buddha Expressway, FNG Corridor, DND Flyway, DSC Road and Yamuna Expressway, The Jewel of Noida is seamlessly connected with locations across the NCR and beyond.

Its fabulous location is further enhanced by the advantage of having the Fortis Hospital nearby and a NOIDA Metro station at walking distance.

A new International Airport has been proposed near Yamuna Expressway, lending the location a global edge.

The Jewel of Noida is a truly sparkling gem on the luxury map of Delhi & NCR.

In this artist's impression, regional amenities are only an imagination and may differ from the actual available amenities. The intending buyers are requested to visit the region/ district for actual view of amenities.

Noida's pro-development outlook has led to it being acclaimed as one of the most vibrant housing, higher education, healthcare, industrial and services markets in the country and the most active in NCR.

We are **Dasnac.**

DASNAC

PRINCIPLES

- Dasnac creates positive human impact through responsible enterprise.
- Dasnac maximizes the net value it creates across its businesses.
- All Dasnac businesses subscribe to the highest standards appropriate for every mission.
- Every Dasnac employee is the greatest example of the Dasnac Standard and the group's most valuable asset.

THE DASNAC STANDARD

Dasnac stands for quality and commitment in markets it serves. From its founding, the group has been dedicated to creating and following the highest possible standards - in its businesses and its people. We call our reputation for striving to be the best in whatever we do, as the Dasnac standard.

NURTURING ENTERPRISE WITH A PASSION TO CREATE CHANGE FOR POSITIVE HUMAN IMPACT

We presently have interests in businesses focused on innovative and meaningful value creation across the real estate value chain. With experience spanning three decades and over 15 million sq. ft. of property, we have acquired expertise across development, engineering, architecture, and building construction. In addition, we make strategic investments in real estate and impactful ventures across sectors and geographies.

PROPERTY DEVELOPMENT

Dasnac is a knowledge-driven leader in property development in North India. Our flagship business, Designarch, pioneered smart housing in South Asia. We develop properties selectively with unrelenting focus on quality.

ENGINEERING & ARCHITECTURE

Dasnac's predecessor and flagship business, Designarch has been a leading engineering and architectural firm in India for over two decades. We have successfully completed over 100 residential, commercial, education and healthcare projects of over 15 million sq. ft.

STRATEGIC INVESTMENTS

Dasnac makes strategic investments in real estate and impactful ventures across sectors and geographies. Within real estate, we concentrate on opportunistic value-addition in the built environment and land. We see urbanization in the developing world as an immense opportunity and evaluate opportunities around this theme for private investments.

BUILDING CONSTRUCTION

Dasnac, equipped with a long-standing engineering and architectural tradition, is capable of managing and executing construction of its projects at the cutting-edge with our construction division.
